

Pauline Ann Hartford, 70 years old.

Beloved wife, mother, grandmother, great-grandmother, and friend died peacefully in her sleep on June 22, 2017.

Pauline was a warrior who valiantly battled many life-threatening illnesses for over 30 years. In the end, she lost the war. Pauline loved her family, and they were her world.

She was a descendant of the "Old 300" families of Texas.

She also had a love for animals, especially dogs.

Pauline was passionate about politics and women's issues.

She was NOT a fan of Donald Trump.

Pauline was preceded in death by her mother, father, and twin sister, Paula.

She is survived by her selfless husband of 44 years, Steve Hartford of San Antonio, her son Earl Damon of Austin, her son Chris Damon of San Antonio, her grandchildren Donovan, Alexis, Jake, and Hazel Damon, her great-granddaughter Scarlette Damon, and many nieces and nephews.

Pauline was a good-hearted person who was an advocate for those less fortunate than she was.

She will be missed every day."
